RANGERS VERSUS COYOTES

Our next opponent, the Alire Coyotes, are the runners-up from district 26-AAAAA. Their record is 8-2, 6-2 in district.

They run the wing-T offense and do a good job executing the 6 and 7x sweeps, bootlegs, and fullback traps. Their best offensive player is #25, Ben Mireles the wingback. They like to get the ball to him running or passing. Their best blocker is their strong tackle #79 Bingo Mancillas. They flip the linemen so he will line up on either side. They like to run to his side (80% of the time). QB #7, Teo Gomez is a good passer and leader. He likes to throw to #25 and #88 Carlos Cavazos. Cavazos is tall and quick with good hands.

Defensively, they play a split six with the eights dropped off about 3 and 3. They run a variety of stunts out of this defense—plugs, x's, slices, etc. They play a 3 deep zone almost exclusively. On sprint out passes, the on side linebacker will contain and the eight technique will cover the flat.

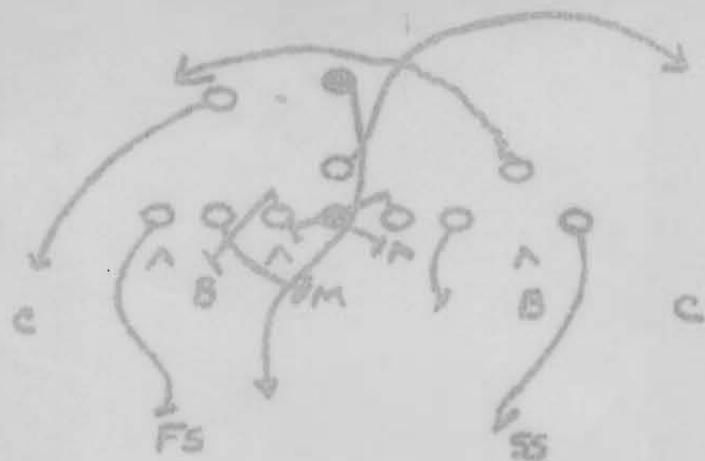

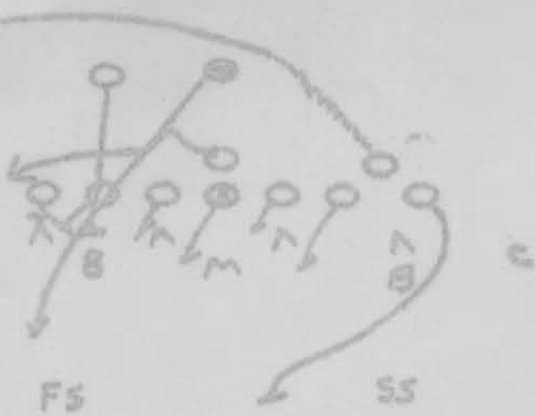

They are a quick team with a winning tradition. In order to defeat them we must:

- Read our keys
- Pursue to the ball
- Gang tackle
- Keep our poise
